1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Thomas Babbitt on 3/29/05.

The application has been amended as follows:

In the specification,

In page 1, before the line of "BACKGROUND OF THE INVENTION", insert --  
This application is a division of Application Serial no. 09/107,604 filed June 30, 1998, now U.S. patent no. 6,130,123.--.

In the claim,

Claim 24, line 2, change "composed" to --consisting essentially--.

2. The following is an examiner's statement of reasons for allowance: The first major difference in the claims not found in the prior art of record is the first gate electrode consisting essentially of a gate material and the second gate electrode composed of a nitride of the gate material. The second major difference in the claims not found in the prior art of record is the first gate electrode composed of a nitride of a gate material and the second gate electrode composed of a silicide of the gate material. The third major difference in the claims not found in the prior art of record is the first metal gate electrode is tantalum. The fourth major difference in the claims not found in

the prior art of record is the first gate electrode is one of tantalum nitride and molybdenum nitride. The fifth major difference in the claims not found in the prior art of record is a tantalum gate electrode directly on a first gate dielectric and a tantalum nitride gate electrode directly on a second gate dielectric. The sixth major difference in the claims not found in the prior art of record is a molybdenum silicide gate electrode directly on a first gate dielectric and a molybdenum nitride gate electrode directly on a second gate dielectric.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven Loke whose telephone number is (571) 272-1657. The examiner can normally be reached on 8:20 am to 5:50 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eddie Lee can be reached on (571) 272-1732. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
